WHAT IS THE PARENT HANDBOOK?

We understand that sending your child to camp is a big decision. For over 60 years, we've been entrusted by parents to take care of their kids and foster their social, physical and spiritual growth in an atmosphere of fun, safety, acceptance and care. This handbook is intended to help parents learn about and become comfortable with Camp Evergreen. We've compiled tons of camp procedure information into one convenient booklet. We've included information that many have specifically asked for, as well as some that you may have never thought to ask for. It's all about you, your kids, and your comfort. Our goal is to make sure you are confident in Camp Evergreen's ability to care for and nurture your child.

If you'd like more information after reading this booklet, or if you'd just like to talk to a real person at Camp Evergreen, feel free to contact us. Office: 403-638-4230 Email: main@camp-evergreen.com

WHO WE ARE

Camp Evergreen is a place where faith is developed, fun is unavoidable, and life-long relationships are forged. We desire to serve God wholeheartedly, to recognize that it's not by our own power, but by the power of God that people's hearts are changed, and it's our role to live, work, and play in an environment of celebration, love, and hope!

The camp is owned by the Camp Evergreen Mennonite Brethren Ministries, Sundre Society: a non-profit and registered charity. We have roots in the Alberta Conference of Mennonite Brethren Churches and still maintain close ties requiring over half the board to attend an MB Church.

The general camp theme we uphold is based on Christian teachings. This means we place high regard on equality, fairness, and maintaining a positive teaching environment for children to learn and grow in Christ. There are two formal times when teaching takes place; both are 15-30 minutes long and are based around a story from the Bible, which we try to relate to everyday life. Teaching is also employed in many of our activities, which help us show how God is real in our lives.

Approximately 40% of our campers do not attend church, a fact that we take into consideration when we plan our programs and camps. No camper will be forced or coerced into making any decision at camp. We try our best to ensure that no one will feel that their choices or their families' choices are bad; our goal is that every camper leaves camp at the end of the week, knowing that God loves them, has value, and are created for a purpose.

MISSION, VISION & VALUES

Mission - Camp Evergreen is a place for all to connect, explore, and grow. We exist to see lives transformed through the power of Jesus.

Vision - Camp Evergreen is a year-round camp invested in creating amazing spiritual, educational, and recreational outdoor experiences for all. We value outreach, community, leadership, stewardship, and partnership in all we do.

Values – Outreach, Community, Leadership, Partnership and Stewardship.

Camp Evergreen's Beliefs and Practices are found here: [Camp Evergreen's Statement of Faith](#). Camp Evergreen is affiliated and takes its full [Confession of Faith](#) from the Mennonite Brethren Churches of Alberta.

ACCREDITATION

We engage multiple licensing and accreditation agencies, consultants, partners and vendors in areas ranging from medical and emergency procedures to food service and staff training. Camp Evergreen is accredited by the Alberta Camping Association. ACA supports, advances, promotes and accredits camps throughout Alberta. We are members of Christian Camping International.

INVESTMENT IN CAMPERS

Everything we do is for the kids. Everything we do is intentional. We've purposely designed every aspect of camp to accommodate the varying needs of campers of different ages. All of these considerations create a customized experience for each Evergreen Camper. Within our cabin groups, we value relationship and community building. This approach helps our Cabin Leaders identify their campers' developmental needs and challenge them in their growth.

INVESTMENT IN STAFF

Our cabin-leading staff receive detailed and specific training to meet the diverse behavioural, spiritual and activity needs of our campers. The sole purpose of the cabin leader is to build relationships with campers and foster their spiritual growth. Cabin leaders emphasize the importance of teamwork, safety and respect and build a strong culture of inclusion throughout the week. To accomplish these goals effectively, they are on duty and with their groups the entire time they are at camp. Our cabin leader-to-camper ratio is 1:5. Our activity staff receive special in-depth training to facilitate activities for children. All our staff, working directly with campers, have CPR/First Aid training.

SAFETY

EQUIPMENT AND ACTIVITY SAFETY

Each activity area at Camp has trained staff members responsible for leading the specific activity. Our Activities Director directly observes staff in their interaction with campers, their proficiency in running the activity, conducting debriefs, keeping track of equipment use and removing any worn equipment from services, ensuring

our equipment and facilities are above par. Trained staff inspect all elements and equipment, including ropes, carabiners, canoes and bows each time before use.

PERSONAL SAFETY

To protect children, our policy prohibits any staff person from being alone in a private location with a camper. If a one-on-one conversation is necessary between a staff member and a camper, it will always be in view of other people. Our staff are easily identifiable. All visitors are required to check-in with the office.

IN CASE OF AN EMERGENCY

A signal system allows communication with all campers and staff in the event of an emergency. Staff monitor weather radar and we move staff and campers to severe weather shelters when there is an immediate threat of severe weather.

All staff are trained in our Emergency Action Plan, which covers scenarios like severe weather, fire and medical emergencies. The focus is on accounting for and protecting campers in these situations. Our lead staff are connected via radios. Our Health Care Team is trained to respond to emergencies 24/7. Our staff have CPR/First Aid certification. The Sundre Hospital is 15 minutes away if further medical assistance is necessary.

BEHAVIOUR MANAGEMENT

All cabin leaders are trained to work through minor conflicts that arise between campers. Camp Evergreen has an anti-bullying policy and procedure for working through disagreements and issues between campers. We partner with the campers to come up with a solution that works for everyone, grace is given, and consequences are enforced, if necessary. *To be clear, Camp Evergreen has a zero-tolerance policy for racial slurs, malicious comments intended to harm an individual, and aggressive physical attacks on another person. If any of a camper engages in any of the aforementioned behaviours, parents will be contacted and the camper will be picked up immediately. No refund or credit is granted for dismissals due to behavioural challenges.*

It is our goal to provide a positive experience for all our campers. As such, we believe part of this is creating a secure environment—physically, emotionally and spiritually—for the campers to interact in. This means Camp Evergreen has behavioural expectations for campers and staff that allow us to function securely and fairly as a camp community. When these behavioural expectations are not met, we have what's known as a "three-stage Intervention" that applies to both campers and staff.

The First Stage is simply to have a conversation with the camper or campers about the situation/challenge they are creating; each camper is pulled aside by their cabin leader, where a conversation about what is expected behaviour and what is not expected behaviour to create positive change for everyone involved. In most cases, minor challenges and frustrations can be solved at this point. We often ask our Head Counsellors, who are the resource staff for the Cabin Leaders, to assist at this stage.

If the challenges continue, we move to the Second Stage of Intervention. Here, the Head Counsellors will involve a member of our Management Team, who will talk with the child regarding the recurring challenge/unexpected behaviour. Expectations and consequences (i.e.: phoning the parents, leaving camp) are gone through with the camper. If a second stage is reached, the camper's parents may be contacted and informed of the situation to seek advice or more information from the parents.

In the case of the Third Stage Intervention, the camper's behavioural challenges, disturbance of other campers, or refusal to cooperate with the leaders involved, reaches a point where we believe that our camp setting is not the right fit for the camper. If a camper reaches the third stage, the parents are contacted and asked to come pick the camper up from camp, at which point they will not be allowed to continue their summer at camp. *Please note that a camper sent home at the third level cannot enrol in future camps in the same summer season but is welcome to try again the following summer. If a camper is sent home at Stage Three, no refund or credit is granted for dismissal.*

INCLUSION

We want every child who comes to camp to feel welcome. While your child is at camp, we make sure every camper is given individual attention and is included in the experience. We strive to meet the needs of every camper, whether they be physical, behavioural, dietary, or medical.

If your child has special needs, please detail them when prompted during registration (defined by what your child's school and teacher would consider special needs). This allows us to provide the best experience for your camper.

Campers with Differences

We do our best to integrate children with mild delays into our camp setting; a child who functions well on their own in a school setting may function well at camp. Due to the experience level and lack of specialized training of our staff, we are unable to accept applications for children functioning more than two years behind their peers emotionally or socially.

We have had positive experiences with children with ADD, ADHD, FAS/FASD and Asperger's Syndrome. Every child is unique, and your child may be unsuitable for our camp environment.

If your child can have a greater chance of succeeding as a camper with an Aid (ie: they currently need a full-time aid in school), we invite you to do so. Please let us know when you register your child, as we allow Aids to accompany children to our camp free of charge. We love to see children succeed as campers, and it creates a safer environment for them.

We have found that even though a child may be independent at school, camp can be a much more intense environment. The days are longer, there is little opportunity for quiet or alone time, parents aren't around, it's not a familiar setting, etc. While our staff are trained to lead a cabin and to lead activities, they don't have the additional training needed to handle specific developmental challenges. So while it is true that every summer we have children with special needs come to Camp Evergreen, we do not consider ourselves a special needs camp.

Our camper/leader ratio for most cabins is 10:2. If your child requires assistance with self-care, behaviour support, staying on task etc., we would ask that you provide an Aide. We desire to see all our campers succeed and enjoy their experience at camp.

We quickly connect with parents if a camper struggles with anything at camp. We aim to help every camper have the best week of their summer. Conversations with home often give us the information we need to help campers be successful at camp.

STAFF

SELECTION

We have located the most amazing and caring staff for your child! We strive to find staff members who are spiritually, mentally and emotionally mature to ensure that not only is your child in good hands, but in good hearts. Each staff member has been personally interviewed, reference checked, and background checked before they even set foot on the property.

HIRING PROCEDURES & PROCESSES

We have a rigorous staff selection process that leads us to the best people. Our interview process covers where applicants are in their spiritual walk, maturity of faith, how to build relationships with the kids, experience working with kids, and overall competencies for the job.

STAFF TRAINING

Our staff and volunteers are trained in camper care and community building, safety protocols, child protection (Safe Place), spiritual foundations, customer service, and first aid awareness.

- Camper Care and Community Building - focuses on camper behaviour management, group dynamics, how to deal with bullying, how to help with homesickness, and making sure that every camper gets individual attention. Staff are taught to recognize that every camper learns differently and has his/her own set of needs. Our staff are equipped with tools to help build relationships between their campers throughout the week.
- Safety Protocols - covers our Crisis Management Plans for scenarios like severe weather, fire, medical emergencies, and unauthorized personnel on-site.
- Child Protection/Safe Place - focuses on two aspects of child protection: prevention and how to report suspected abuse. Prevention of abuse at camp includes what is and is not appropriate interaction between staff and campers.
- Spiritual Foundations - Cabin Leaders are trained to identify where each child is spiritually and will meet them where they're at while challenging them to grow. All staff are trained on how to effectively share the Gospel and Good News with campers of every age. We also train the staff to have effective discussions.
- Customer Service - teaches staff how to address and greet kids and parents, providing an exceptional camp experience for every guest. We train our staff to "make our camper's camp dreams come true".
- First Aid Awareness - Every staff member that works with campers has their Standard First Aid with CPR. We also address typical camp ailments like bee stings, stomach aches, and how to respond to bed-wetting in a discrete way. We also cover how to work with the camp medic for daily medications and any additional situations that may arrive.

Additionally, staff are instructed on Camp Evergreen doctrine: who we are, why we teach what we teach, and how to share their spiritual journey in an appropriate way, and how to remain sensitive to many denominations without compromising our Statement of Faith.

Nearly 75% of our staff have been to Camp Evergreen before; many as campers in years previous, many as part of our discipleship programs, and many more as returning staff. For most of them, training is a long term immersion in Evergreen's values of being a place to belong; where God's love is shown through respect, caring, and providing a safe place of learning and growth.

Leadership Week is our pre-camp training for staff so that they can brush up on their cabin leading and teaching skills. It also ensures that everyone is working towards the same goals of supporting every child as a valued member of their cabin, and that they have a successful week at camp. Every staff member that works with campers have their current Standard First Aid, have gone through our thorough Safe Place Policy, and has an up-to-date Criminal Record Check with a Vulnerable Sector Search on file. Staff who are Alberta Residents also are required to provide a Child Intervention Check from the Alberta Government.

ACTIVITY TRAINING

Activity staff receive training specific to their activity area with an emphasis on safety, proper use of equipment, engaging all campers and effective debriefs. In some high-risk areas, certification by industry associations is required.

LEADERSHIP STAFF TRAINING

Leadership staff oversee cabin/group areas, activities, or have specialized functions at camp. Their main job is to oversee cabin leaders, support and activity staff, ensuring that those staff have all the resources they need to deliver and exceptional Camp Evergreen experience for all their campers. These individuals have exceptional leadership abilities.

REGISTRATION INFORMATION

HOW TO REGISTER

You can access our online registration at <https://weareevergreen.campbrainregistration.com/>
Registration goes live early January.

ACCOMMODATIONS

- **How we sort campers into cabins:**
 - We sort our cabins by biological sex (male and female) and then by cabin mate requests. After that we work to sort our cabins by age and then by home location to possibly facilitate connections after camp.
 - If alternate sleeping arrangements are needed, we will do our best to accommodate.
- **Requesting a cabinmate**
 - During the registration process, you will have the opportunity to request a cabin mate for your child's week of camp. We know campers want to be with their friends. We will try our utmost to get any requested cabin mates (same biological sex) together in the same cabin. If you haven't requested a cabin mate and would like to, please contact the Camp Office to make these arrangements.
- **How many kids in a cabin?**
 - There are **eight to ten** campers in a cabin with two cabin leaders, the leader-to-camper ratio is 1:5.

PAYMENT OPTIONS

Visa or MasterCard can pay registration fees in full at the time of online registration, or with a Payment Plan. **A deposit of at least \$75.00 per person is required within 1 business day of online registration in order to hold the camper's spot in his/her camp program.** The balance of the fees are due no later than four weeks before the start of their registered camp.

If you wish to pay by cheque, money order or e-transfer, payment for the fees amount must be received **within 2 weeks of online registration.** Payment plans are available upon request. Please contact the Camp Office to make these arrangement within 1 business day of registering. Camp fees must be paid in full by four weeks before the beginning of their registered camp. Make cheques or money orders payable to Camp Evergreen.

CANCELLATION POLICY

Prior to arrival at camp

Refunds will be issued up to 30 days before your camp commences, less a \$75 administration fee. Cancellations under 30 days require a Physicians note to receive the full refund, less a \$75 administration fee.

During Camp

If we ask the camper to go home due to illness or injury, we will give a credit for next year's camp based on how many days the camper has been at camp. (we can see if there is room in another camp in the same summer). If the camper and/or parents decide to go/take the camper home, there is no refund or credit. *There is no refund/credit for homesickness even if we determine the camper should go home.*

Illness Policy

Due to the concern of transmitting communicable diseases to other campers or staff, we are asking parents that if your child is ill with a fever, vomiting, or diarrhea that they do not attend camp until they have been symptom-free for at least 48 hours. If your child develops any of these symptoms while at camp, parents will be contacted and they will be sent home until symptoms clear up.

We will make all possible efforts to move your child to a different week or refund your fees, according to our refund policy, if they are unable to attend camp due to illness. Therefore we please urge you to ensure you do not send your child to camp while ill for the safety of other campers and staff.

TRANSFERRING PROGRAMS

If a camper needs to transfer to a different week or program, we will be glad to move him/her at no charge as space allows.

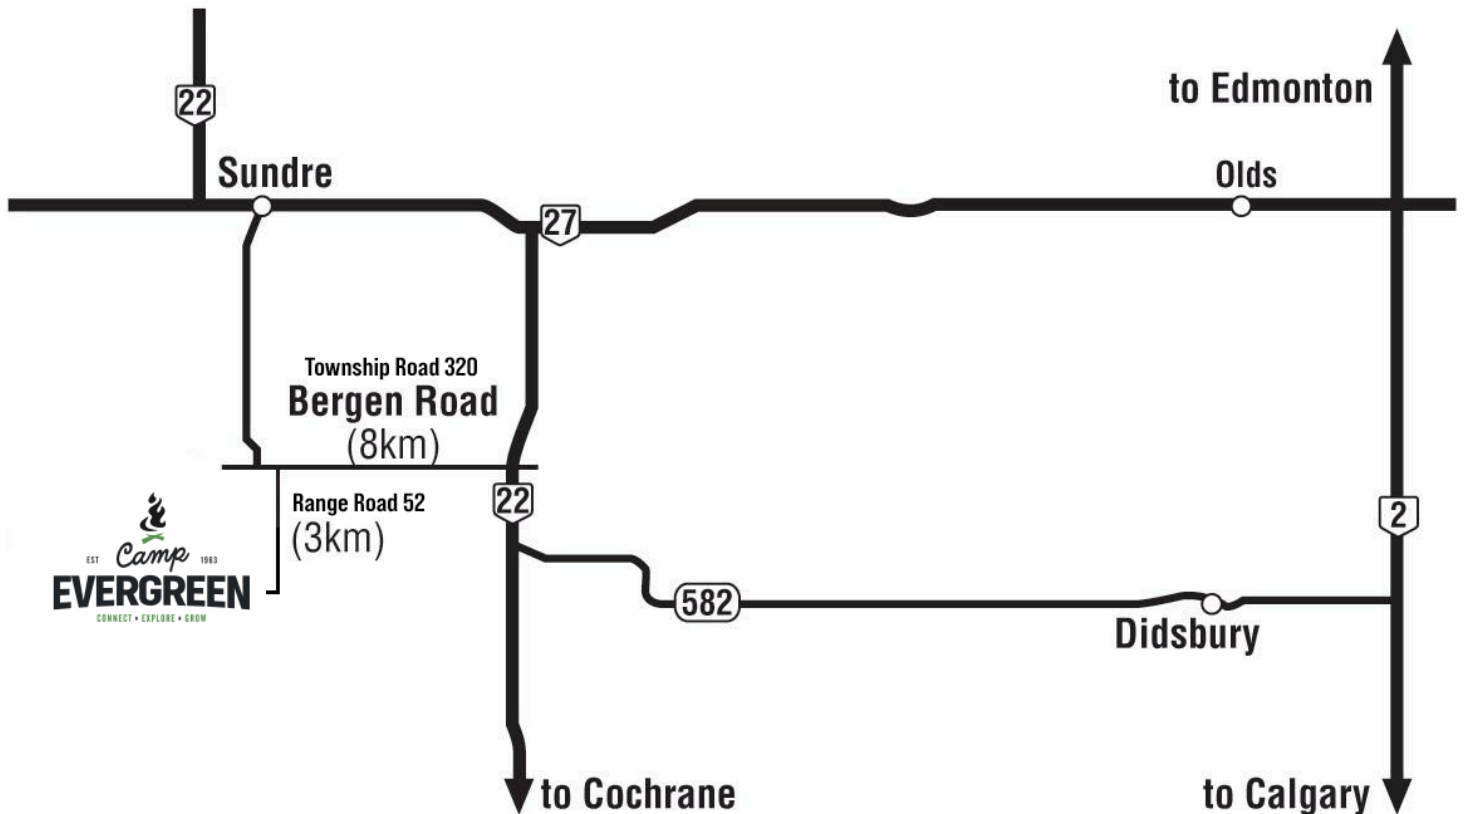

WAIT LIST PROCEDURES

When any of the camps reach their capacity, we will create a wait list. The wait list is created on a first come, first serve basis. You will be contacted when a spot becomes available. If there are no remaining spots for that camp, we encourage you to look at the other sessions that are offered.

CAMPERSHIP AID

It is our philosophy that no camper should be refused access to camp because of the financial circumstances of their family, and we endeavour to honour each request. We do, however, ask for as much financial participation as possible from the family. Requests for Campership Aid can be made during registration by filling out the provided form. We require this form to be completed and your registration to be submitted for us to review your application. We will contact you regarding your acceptance.

HOW TO FIND US:

BASE CAMPS

Sparks, Explorers, Trail Blazers, Ignite, and Impact

CAMPER HEALTH

Our cabin leaders are trained to make sure your child is eating enough, staying hydrated and applying sunscreen. We ask that you send sunscreen with your child. Our staff will ensure it is applied regularly. We also encourage campers to bring a water bottle to camp to stay properly hydrated. There are water stations around the property. On especially hot days, we will take care to ensure kids stay hydrated.

MEDICAL CARE AT SUMMER CAMP

During the summer months we will have Designated Medical Personnel (DMP) on site at all times. You can meet the DMP when you check in your child on their first day of summer camp. The DMP is trained in First Aid and CPR.

Major responsibilities of the Designated Medical Personnel include the storing and administering of a camper's medications (prescription or otherwise); taking care of minor injuries, dealing with safety and health concerns which may arise during the week; administering First Aid or CPR when necessary; documenting each medical incident whether small or large.

The Sunde Hospital is 15 minutes away should we need further medical assistance.

All medications need to be turned in to the DMP during check-in. Please pack medications separately, labelling them with your child's full name & include their photo. The parent/guardian will be consulted at check-in to determine if a camper's epi-pen or inhaler needs to remain with the camper or kept with the cabin leader or with the DMP. A short pre-camp medical form will be required to fill out to ensure the camper is not ill.

The DMP compiles a list of camper medications and medication schedule along with the health information collected from the registration form. During the week, the campers will go with their leaders to the DMP to get their medication.

We contact parents/guardians when:

- a camper has significant bumps, bruises or cuts with the potential for scarring, especially on the face
- if there is some medication that we need to give that is not on the list completed at the time of registration
- there is something out of the ordinary (ie seizure/accident)
- a camper has had an exposure to a contagious disease, bug or parasite
- a camper is sent off-site for professional medical treatment
- any other concerning medical issue staff deem necessary to communicate with parents

If there are any special conditions specific to your child's health such as allergies, food restrictions, medication instructions, please provide these in writing to the camp well in advance of his or her week here.

DIETARY NEEDS

We offer a wide variety of well balanced meals which vary according to age groups. We usually have fruit or vegetables included with the night snack.

If your child has special dietary needs/food allergies just tell us ahead of time, and we will be sure to tell our kitchen staff. We are a busy summer camp and do have our limitations, but will do our best to make things work. In some cases, we may need to ask that you bring foods to help us meet your child's needs.

Camp Evergreen endeavours to provide a safe camping experience for any children who have nut allergies, and therefore have a Nut Aware policy. No nut products are served from the Kitchen, or sold in our Moose Junction General Store. However, while at camp your child may be exposed to these products when coming into contact with other campers, and so we suggest that caution is used for parents registering campers with extreme/life threatening nut allergies.

PREPARING FOR SUMMER CAMP

PRIOR TO CHECK IN

1. Your balance must be paid in full four weeks before the beginning of your chosen camp.
2. Report any changes in address, email or phone number for your family or your emergency contacts.
3. Report any changes in your camper's health.
4. You will receive an email about 2 weeks before camp starts.

PACKING GUIDELINES FOR SUMMER CAMP

- When getting sleeping bags out of storage, if you put them in a clothes dryer on high heat for 30 minutes, it will kill any bugs or eggs that may have made a home there over the winter months.
- Place toiletries in a plastic bag or kit that makes it easy to travel to the showers. This also reduces the chance of spilling.
- Make sure your camper's name is on all items. Unclaimed left behind items will be donated to charity after summer.
- **Pack with your camper.** This allows your camper to know where everything is and that they have what they want at camp.
- We recommend packing some plastic bags for dirty/wet laundry.
- Medications **must be in their original packaging** for check-in. You will submit them to our Designated Medical Personnel. Please **do not** pack medications in your camper's luggage.
- Make your bags visually distinctive. Add something brightly coloured to your bags. This makes it easier for you to spot them at pick up, and prevents other people from taking your bags by mistake. Distinctively marked suitcases and duffel bags are easier to find if they are misplaced.
- Identification tags on your bags are important (inside too is helpful).

PAJAMA POLICY

For the safety and comfort of all our campers and staff, we have a Pajama Policy for our overnight campers and

staff. This is due to our Plan to Protect (abuse prevention) Policy for our staff and for the privacy of our campers. We would ask that all campers and staff wear either pajama tops and bottoms, pajama bottoms and a T-shirt, or shorts and a T-shirt.

WHAT TO PACK FOR CAMP

At camp, we play hard, have fun, and get dirty. Avoid packing your very best or most favourite items.

<ul style="list-style-type: none"> <input type="checkbox"/> Sleeping Bag & Pillow <input type="checkbox"/> Pajamas (See PJ Policy above) <input type="checkbox"/> Running Shoes, Sandals <input type="checkbox"/> Pro-Skill appropriate clothing (close-toed shoes for High Ropes and Horse activities, running shoes for Mountain Biking, etc...) <input type="checkbox"/> Water Bottle <input type="checkbox"/> Sunscreen <input type="checkbox"/> Bug Spray <input type="checkbox"/> Lightweight Jacket <input type="checkbox"/> Hat <input type="checkbox"/> Optional: camera, stuffed animal (we recommend leaving your most precious ones at home) 	<ul style="list-style-type: none"> <input type="checkbox"/> Clothes for three seasons (pants, hoodie, t-shirts, lots of socks). We recommend packing clothes you do not mind getting dirty. <input type="checkbox"/> Pants (you need them for trail rides and cooler days) <input type="checkbox"/> Raincoat, rain pants, umbrella <input type="checkbox"/> Rubber Boots <input type="checkbox"/> Bible (if you have one), notebook, pen <input type="checkbox"/> Flashlight <input type="checkbox"/> Toothbrush & toothpaste <input type="checkbox"/> Soap, shampoo, & conditioner <input type="checkbox"/> Brush & comb <input type="checkbox"/> Towel & facecloth <input type="checkbox"/> Bathing Suit & UV shirt (we wear t-shirts on water days)
--	--

If you have signed up for Paintball in Ignite or Impact please bring loose-fitting clothing/camo (paintballs hurt more in tight-fitting clothing), 2 pairs hikers/sturdy runners (may get wet), leather gloves & personal protective gear (ie. jock strap, etc). *Camp Evergreen provides the markers, paintballs, neck guards & masks (protect ears, face & eyes), but we don't provide protective clothing, such as coveralls.*

WHAT NOT TO PACK (Camp Evergreen is not responsible for lost, stolen or damaged, or left behind items)

<ul style="list-style-type: none"> <input type="checkbox"/> Cell Phones, iPods, iPads or tablets, electronics, or gaming equipment <input type="checkbox"/> Earbuds & portable music devices <input type="checkbox"/> Jewellery <input type="checkbox"/> Money <input type="checkbox"/> Please do not bring your pets to camp when you drop off and pick up your camper. 	<ul style="list-style-type: none"> <input type="checkbox"/> Pocket knives <input type="checkbox"/> Peanut or nut products (please be sensitive other campers with serious food allergies) <input type="checkbox"/> Alcohol, tobacco, marijuana (all forms), vaping, and illegal drugs are NOT permitted at camp.
---	---

SENDING MAIL TO YOUR CAMPER

If you would like to send messages to your camper while they are here for their week, you can send notes via email to: camper@camp-evergreen.com Just enter the camper's first & last names as well as the name of the week of camp on the subject line. You can also find the email address on the website under FAQ's – Homesickness & Parent Visits. This is a one way camper email (campers don't email back) that comes directly to us and there is no cost to you. If you have photos or other fun things (such as crossword puzzles, sudoku, etc) that you would like to send, just attach them to the email. Easy as that! No access code necessary.

Connecting with your Child

Homesickness is a real concern at camp, and we have found that visits can actually increase this homesickness. Also, the children who would like to have a visit from parents, but are unable to because of family situation can feel left hurt or left out when they do not receive visits.

Parents are welcome to call the main office at any time 403-638-4230 to see how their child is doing, and children are welcome to call home at any time (we do, however, try to discourage nighttime phone calls to avoid triggering separation anxiety).

Please note, office hours are 9am-5pm; you are welcome to leave a voice message. For a quicker response after hours, you can private message us through our Camp Evergreen Facebook Page, or email director@camp-evergreen.com.

TUCK

Tuck is an old English word meaning yummy food or treat. It's been a part of the camping community for as long as there have been camps! Our tuck shop, which is called Moose Junction, is stocked with candy, chips, chocolate, t-shirts, hoodies, water bottles, and frozen treats.

The cost of tuck (two food or drink items per day) **is included with your camp fee**. Please do not send money to camp with your child.

CHECKING IN AT SUMMER CAMP

Check in begins at **4:30pm on the first day of camp**. Supper for campers will be served at 5:30 pm. If you are **unable to arrive at camp between 4:30-5:30pm** on the first day of camp for drop off, please **contact the Office** prior to that day and make arrangements so that someone can be at the Welcome Centre to greet you and help your camper get settled.

Upon arrival on the first day of camp, you and your camper will check in at the **Welcome Centre**, get your cabin assignment, fill out a Pre-Camp Medical form, meet the Camp Nurse if the camper has medications, and then sign in your child at their cabin. Please note when you sign your camper in at the cabin, you will be given a Pick Up Code for when you pick them up on the last day. This will ensure every camper will be re-connected with the correct adult. If the person who dropped off the child is not the same as the person picking up, please let us know when signing in and, if possible, give the Pick Up Code to the person who will be picking up.

MOOSE JUNCTION GENERAL STORE

Moose Junction will be open during check in and after the Parents Program, if you'd like to buy treats, tee-shirts, hoodies or other super cool souvenirs! **The camper t-shirts will be handed out on the last day of camp, prior to check out.**

CHECK OUT TIME

There will be a **Parents Program** in the Activity Centre at **3pm** on the last day of each camp. Please come and join us to get a glimpse into what your camper was up to all week. There will be a free-will offering taken during the Parent Program for our Campership Aid Program.

EARLY PICK UP

If you are needing to pick up your camper before the Parent's Program, please contact the office so we can have your child ready for you to sign out. Don't forget the Pick Up Code that was given to you at check-in.

SOMEONE DIFFERENT PICKING UP THAN WHO DROPPED OFF

If the person who dropped off the child is not the same as the person picking up, please let us know when signing in and, if possible, give the Pick Up Code to the person who will be picking up.

TYPICAL DAY AT CAMP EVERGREEN

Main Site overnight campers can expect to have three amazing meals (a snack is provided at night time), set activity times where campers participate in camp activities (archery, horseback riding, wall climbing, etc.), free time and tuck from Moose Junction (General Store), a cabin activity, two formal teaching/worship times, a camp-wide outdoor game, and a whole lot of fun.

ROUGHIN' IT CAMPS

CAMPER HEALTH

Our Roughin' It Leaders are trained to make sure your child is eating enough, staying hydrated and applying sunscreen. We ask that you send sunscreen with your child. Our staff will ensure it is applied regularly. We also encourage campers to bring a water bottle to camp to stay properly hydrated. There are water stations around the property. On especially hot days, we will take care to ensure kids stay hydrated.

MEDICAL CARE AT SUMMER CAMP

At Roughin' It Camps, one of the leaders will serve as the Lead First Aider available to respond to emergencies, distribute medications and provide basic first aid care for our campers & staff.

All medications need to be turned in to the Designated Medical Personnel during check-in. Please pack medications separately, labelling them with your child's full name & include their photo. The parent/guardian will be consulted at check-in to determine if a camper's epi-pen or inhaler needs to remain with the camper or kept with the cabin leader or with the Lead First Aider at Roughin' It. A short pre-camp medical form will be required to fill out to ensure camper is not ill.

The Lead First Aider is given a list of camper medications and medication schedule along with the health information collected from the registration form. During the week, the campers check in with the Lead First Aider to get their medication.

We contact parents/guardians when:

- a camper has significant bumps, bruises or cuts with the potential for scarring, especially on the face
- if there is some medication that we need to give that is not on the list completed at the time of registration
- there is something out of the ordinary (ie seizure/accident)
- a camper has had an exposure to a contagious disease, bug or parasite
- a camper is sent off-site for professional medical treatment
- any other concerning medical issue staff deem necessary to communicate with parents

The Sundre Hospital is 15 minutes away should we need further medical assistance.

If there are any special conditions specific to your child's health such as allergies, food restrictions, medication instructions, please provide these in writing to the camp well in advance of his or her week here.

DIETARY NEEDS

We offer a wide variety of well balanced meals which vary according to age groups. We usually have fruit or vegetables included with the night snack.

If your child has special dietary needs/food allergies just tell us ahead of time, and we will be sure to tell our kitchen staff. We are a busy summer camp and do have our limitations, but will do our best to make things

work. In some cases, we may need to ask that you bring foods to help us meet your child's needs.

Camp Evergreen endeavours to provide a safe camping experience for any children who have nut allergies, and therefore have a Nut Aware policy. No nut products are served from the Kitchen, or sold in our Moose Junction General Store. However, while at camp your child may be exposed to these products when coming into contact with other campers, and so we suggest that caution is used for parents registering campers with extreme/life threatening nut allergies.

PREPARING FOR SUMMER CAMP

PRIOR TO CHECK IN

1. Your balance must be paid in full four weeks before the beginning of your chosen camp.
2. Report any changes in address, email or phone number for your family or your emergency contacts.
3. Report any changes in your camper's health.
4. You will receive an email about 2 weeks before camp starts.
5. Have your Acknowledgement of Risk form signed.

PACKING GUIDELINES FOR SUMMER CAMP

- When getting sleeping bags out of storage, if you put them in a clothes dryer on high heat for 30 minutes, it will kill any bugs or eggs that may have made a home there over the winter months.
- Place toiletries in a plastic bag or kit that makes it easy to travel to the showers. This also reduces the chance of spilling.
- Make sure your camper's name is on all items. Unclaimed left behind items will be donated to charity after summer.
- Pack together with your camper. This allows your camper to know where everything is and to develop a sense of responsibility.
- We recommend packing some plastic bags for dirty/wet laundry.
- Please bring any medications in their original packaging to check-in and submit them to our Designated Medical Personnel. Please do not pack medications in your camper's luggage.
- Make your bags visually distinctive. Add something brightly coloured to your bags. This makes it easier for you to spot them at pick up, and prevents other people from taking your bags by mistake. Distinctively marked suitcases and duffel bags are easier to find if they are misplaced.
- Identification tags on your bags are important (inside too is helpful).

PAJAMA POLICY

For the safety and comfort of all our campers and staff, we have a Pajama Policy for our overnight campers and staff. This is due to our Plan to Protect (abuse prevention) Policy for our staff and for the privacy of our campers. We would ask that all campers and staff wear either pajama tops and bottoms, pajama bottoms and a T-shirt, or shorts and a T-shirt.

WHAT TO PACK FOR CAMP

At camp, we play hard, have fun, and get dirty. Avoid packing your very best or most favourite items.

<ul style="list-style-type: none"><input type="checkbox"/> Sleeping Bag (-10°C rated) & Pillow<input type="checkbox"/> Sleeping Pad/Insulator Pad<input type="checkbox"/> Pajamas (See PJ Policy above)<input type="checkbox"/> Wool socks, thermal underwear<input type="checkbox"/> Running Shoes, Sandals<input type="checkbox"/> Water Bottle<input type="checkbox"/> Sunscreen<input type="checkbox"/> Bug Spray<input type="checkbox"/> Lightweight Jacket<input type="checkbox"/> Hat<input type="checkbox"/> Optional: camera, stuffed animal (we recommend leaving your most precious ones at home)	<ul style="list-style-type: none"><input type="checkbox"/> Clothes for three seasons (pants, hoodie, t-shirts, lots of socks). We recommend packing clothes you do not mind getting dirty.<input type="checkbox"/> Pants (you need them for trail rides and cooler days)<input type="checkbox"/> Raincoat, rain pants, umbrella<input type="checkbox"/> Rubber Boots<input type="checkbox"/> Bible (if you have one), notebook, pen<input type="checkbox"/> Flashlight<input type="checkbox"/> Toothbrush & toothpaste<input type="checkbox"/> Soap, shampoo, & conditioner<input type="checkbox"/> Brush & comb<input type="checkbox"/> Towel & facecloth<input type="checkbox"/> Bathing Suit & UV shirt (we wear t-shirts on water days)
--	--

WHAT NOT TO PACK

<ul style="list-style-type: none"><input type="checkbox"/> Cell Phones, iPods, iPads or tablets, electronics, or gaming equipment<input type="checkbox"/> Earbuds & portable music devices<input type="checkbox"/> Jewellery<input type="checkbox"/> Money<input type="checkbox"/> Please do not bring your pets to camp when you drop off and pick up your camper.	<ul style="list-style-type: none"><input type="checkbox"/> Pocket knives<input type="checkbox"/> Peanut or nut products (please be sensitive other campers with serious food allergies)<input type="checkbox"/> Alcohol, tobacco, marijuana (all forms), vaping, and illegal drugs are NOT permitted at camp.

****Camp Evergreen is not responsible for lost, stolen or damaged, or left behind items****

SENDING MAIL TO YOUR CAMPER

If you would like to send messages to your camper while they are here for their week, you can send notes via email to: camper@camp-evergreen.com Just enter the camper's first & last names as well as the name of the week of camp on the subject line. You can also find the email address on the website under FAQ's – Homesickness & Parent Visits. This is a one way camper email (campers don't email back) that comes directly to us and there is no cost to you. If you have photos or other fun things (such as crossword puzzles, sudoku, etc) that you would like to send, just attach them to the email. Easy as that! No access code necessary.

Connecting with your Child

Homesickness is a real concern at camp, and we have found that visits can actually increase this homesickness. Also, the children who would like to have a visit from parents, but are unable to because of family situation can feel left hurt or left out when they do not receive visits.

Parents are welcome to call the main office at any time 403-638-4230 to see how their child is doing, and children are welcome to call home at any time (we do, however, try to discourage them from calling home at bedtime, as they tend to be more emotionally fragile then).

Please note, office hours are 8:30am-5pm; you are welcome to leave a voice message. For a quicker response after hours, you can private message us through our Camp Evergreen FaceBook Page, or email director@camp-evergreen.com.

TUCK

Tuck is an old English word meaning yummy food or treat. It's been a part of the camping community for as long as there has been camps! Our tuck shop, which is called Moose Junction, is stocked with candy, chips, chocolate, t-shirts, hoodies, water bottles, and frozen treats.

The cost of tuck (two food or drink items per day) **is included with your camp fee**. Please don't send money to camp with your child.

CHECKING IN AT SUMMER CAMP

Check in begins at **4:30pm on the first day of camp**. At 5:30pm, Campers & Leaders will hike down to the TeePee Site where they will have supper. Their gear will be transported by truck. If you are **unable to arrive at camp between 4:30-5:30pm** on the first day of camp for drop off, please **contact the Office** prior to that day and make arrangements so that someone can be at the Welcome Centre to greet you and help your camper get connected with the group.

Upon arrival on the first day of camp, you and your camper will check in at the **Roughin' It Tent**, fill out a Pre-Camp Medical form, meet the Designated Medical Personnel if the camper has medications, and then sign in your child with the leaders. Please note when you sign your camper in, you will be given a Pick Up Code for when you pick them up on the last day. This will ensure every camper will be re-connected with the correct adult. If the person who dropped off the child is not the same as the person picking up, please let us know when signing in and, if possible, give the Pick Up Code to the person who will be picking up.

MOOSE JUNCTION GENERAL STORE

Moose Junction will be open during check in and after the Parents Program, if you'd like to buy treats, tee-shirts, hoodies or other super cool souvenirs! **The camper t-shirts will be handed out on the last day of camp, prior to check out.**

CHECK OUT TIME

There will be an informal wrap up time for all parents at **3pm on Friday at the Dining Hall**. This will be a great time to hear what your camper has been up to all week and to chat with the leaders.

EARLY PICK UP

If you are needing to pick up your camper before the Parent's Program, please contact the office so we can have your child ready for you to sign out. Please remember to bring your Pick Up Code that was given to you at check-in.

SOMEONE DIFFERENT PICKING UP THAN WHO DROPPED OFF

If the person who dropped off the child is not the same as the person picking up, please let us know when signing in and, if possible, give the Pick Up Code the person who will be picking up.

Lunch, Dishes
Quiet time
Activity Time (ie. zipline, climbing wall, survival skills, etc)
Hang out time/Creek time
Supper, Dishes
Devotional time
Bedtime

TRAILS AWAY CAMP

CAMPER HEALTH

Our Trails Away Leaders are trained to make sure your child is eating enough, staying hydrated and applying sunscreen. We ask that you send sunscreen with your child. Our staff will ensure it is applied regularly. We also encourage campers to bring a water bottle to camp to stay properly hydrated. There are water stations around the property. On especially hot days, we will take care to ensure kids stay hydrated.

MEDICAL CARE AT SUMMER CAMP

At Trails Away Camps, one of the leaders will serve as the Lead First Aider available to respond to emergencies, distribute medications and provide basic first aid care for our campers & staff.

All medications need to be turned in to the Designated Medical Personnel during check-in. Please pack medications separately, labelling them with your child's full name & include their photo. The parent/guardian will be consulted at check-in to determine if a camper's epi-pen or inhaler needs to remain with the camper or kept with the cabin leader or with the Lead First Aider at Trails Away. A short pre-camp medical form will be required to fill out to ensure camper is not ill.

The Lead First Aider is given a list of camper medications and medication schedule along with the health information collected from the registration form. During the week, the campers check in with the Lead First Aider to get their medication.

We contact parents/guardians when:

- a camper has significant bumps, bruises or cuts with the potential for scarring, especially on the face

On especially hot days, we will take care to ensure kids stay hydrated.

MEDICAL CARE AT SUMMER CAMP

At Adventure Camps, one of the leaders will serve as the Lead First Aider available to respond to emergencies, distribute medications and provide basic first aid care for our campers & staff.

All medications need to be turned in to the Designated Medical Personnel during check-in. Please pack medications separately, labelling them with your child's full name & include their photo. The parent/guardian will be consulted at check-in to determine if a camper's epi-pen or inhaler needs to remain with the camper or kept with the cabin leader or with the Lead First Aider at Adventure. A short pre-camp medical form will be required to fill out to ensure camper is not ill.

The Lead First Aider is given a list of camper medications and medication schedule along with the health information collected from the registration form. During the week, the campers check in with the Lead First Aider to get their medication.

We contact parents/guardians when:

- a camper has significant bumps, bruises or cuts with the potential for scarring, especially on the face
- if there is some medication that we need to give that is not on the list completed at the time of registration
- there is something out of the ordinary (ie seizure/accident)
- a camper has had an exposure to a contagious disease, bug or parasite
- a camper is sent off-site for professional medical treatment
- any other concerning medical issue staff deem necessary to communicate with parents

The Sundre Hospital is 15 minutes away should we need further medical assistance.

If there are any special conditions specific to your child's health such as allergies, food restrictions, medication instructions, please provide these in writing to the camp well in advance of his or her week here.

DIETARY NEEDS

We offer a wide variety of well balanced meals which vary according to age groups. We usually have fruit or vegetables included with the night snack.

If your child has special dietary needs/food allergies just tell us ahead of time, and we will be sure to tell our kitchen staff. We are a busy summer camp and do have our limitations, but will do our best to make things

work. In some cases, we may need to ask that you bring foods to help us meet your child's needs.

Camp Evergreen endeavours to provide a safe camping experience for any children who have nut allergies, and therefore have a Nut Aware policy. No nut products are served from the Kitchen, or sold in our Moose Junction General Store. However, while at camp your child may be exposed to these products when coming into contact with other campers, and so we suggest that caution is used for parents registering campers with extreme/life threatening nut allergies.

PREPARING FOR SUMMER CAMP

PRIOR TO CHECK IN

1. Your balance must be paid in full four weeks before the beginning of your chosen camp.
2. Report any changes in address, email or phone number for your family or your emergency contacts.
3. Report any changes in your camper's health.
4. You will receive an email about 2 weeks before camp starts.
5. Have your Acknowledgement of Risk form signed.

PACKING GUIDELINES FOR SUMMER CAMP

- When getting sleeping bags out of storage, if you put them in a clothes dryer on high heat for 30 minutes, it will kill any bugs or eggs that may have made a home there over the winter months.
- Place toiletries in a plastic bag or kit that makes it easy to travel to the showers. This also reduces the chance of spilling.
- Make sure your camper's name is on all items. Unclaimed left behind items will be donated to charity after summer.
- Pack together with your camper. This allows your camper to know where everything is and to develop a sense of responsibility.
- We recommend packing some plastic bags for dirty/wet laundry.
- Please bring any medications in their original packaging to check-in and submit them to our Designated Medical Personnel. Please do not pack medications in your camper's luggage.
- Make your bags visually distinctive. Add something brightly coloured to your bags. This makes it easier for you to spot them at pick up, and prevents other people from taking your bags by mistake. Distinctively marked suitcases and duffel bags are easier to find if they are misplaced.
- Identification tags on your bags are important (inside too is helpful).

PAJAMA POLICY

For the safety and comfort of all our campers and staff, we have a Pajama Policy for our overnight campers and staff. This is due to our Plan to Protect (abuse prevention) Policy for our staff and for the privacy of our campers. We would ask that all campers and staff wear either pajama tops and bottoms, pajama bottoms and a T-shirt, or shorts and a T-shirt.

WHAT TO PACK FOR CAMP

At camp, we play hard, have fun, and get dirty. Avoid packing your very best or most favourite items.

<ul style="list-style-type: none"><input type="checkbox"/> Sleeping Bag (-10°C rated) & Pillow<input type="checkbox"/> Pajamas (See PJ Policy above)<input type="checkbox"/> Wool socks, thermal underwear<input type="checkbox"/> Running Shoes/hikers (2 pairs), Sandals<input type="checkbox"/> Loose fitting clothes/Camo (Paintballs hurt more in tight-fitting clothing)<input type="checkbox"/> Protective gear for playing (ie: jock strap)<input type="checkbox"/> Optional: leather gloves, trenchcoat or coveralls.<input type="checkbox"/> Water Bottle<input type="checkbox"/> Sunscreen<input type="checkbox"/> Bug Spray<input type="checkbox"/> Lightweight Jacket<input type="checkbox"/> Hat<input type="checkbox"/> Optional: camera	<ul style="list-style-type: none"><input type="checkbox"/> Clothes for three seasons (pants, hoodie, t-shirts, lots of socks). We recommend packing clothes you do not mind getting dirty. We use water-based paint, however, we do find it still stains clothing.<input type="checkbox"/> Pants<input type="checkbox"/> Raincoat, rain pants, umbrella<input type="checkbox"/> Rubber Boots<input type="checkbox"/> Bible (if you have one), notebook, pen<input type="checkbox"/> Flashlight<input type="checkbox"/> Toothbrush & toothpaste<input type="checkbox"/> Soap, shampoo, & conditioner<input type="checkbox"/> Brush & comb<input type="checkbox"/> Towel & facecloth<input type="checkbox"/> Bathing Suit & UV shirt (we wear t-shirts on water days)
---	--

Camp Evergreen provides the markers, Paintballs, neck guards & masks (protect ears, face & eyes), but we don't provide protective clothing, such as coveralls.

WHAT NOT TO PACK

<ul style="list-style-type: none"><input type="checkbox"/> Cell Phones, iPods, iPads or tablets, electronics, or gaming equipment<input type="checkbox"/> Earbuds & portable music devices<input type="checkbox"/> Jewellery<input type="checkbox"/> Money<input type="checkbox"/> Please do not bring your pets to camp when you drop off and pick up your camper.	<ul style="list-style-type: none"><input type="checkbox"/> Pocket knives<input type="checkbox"/> Peanut or nut products (please be sensitive other campers with serious food allergies)<input type="checkbox"/> Alcohol, tobacco, marijuana (all forms), vaping, and illegal drugs are NOT permitted at camp.
---	---

****Camp Evergreen is not responsible for lost, stolen or damaged, or left behind items****

SENDING MAIL TO YOUR CAMPER

If you would like to send messages to your camper while they are here for their week, you can send notes via email to: camper@camp-evergreen.com Just enter the camper's first & last names as well as the name of the

week of camp on the subject line. You can also find the email address on the website under FAQ's – Homesickness & Parent Visits. This is a one way camper email (campers don't email back) that comes directly to us and there is no cost to you. If you have photos or other fun things (such as crossword puzzles, sudoku, etc) that you would like to send, just attach them to the email. Easy as that! No access code necessary.

Connecting with your Child

Homesickness is a real concern at camp, and we have found that visits can actually increase this homesickness. Also, the children who would like to have a visit from parents, but are unable to because of family situation can feel left hurt or left out when they do not receive visits.

Parents are welcome to call the main office at any time 403-638-4230 to see how their child is doing, and children are welcome to call home at any time (we do, however, try to discourage them from calling home at bedtime, as they tend to be more emotionally fragile then).

Please note, office hours are 8:30am-5pm; you are welcome to leave a voice message. For a quicker response after hours, you can private message us through our Camp Evergreen FaceBook Page, or email director@camp-evergreen.com.

TUCK

Tuck is an old English word meaning yummy food or treat. It's been a part of the camping community for as long as there has been camps! Our tuck shop, which is called Moose Junction, is stocked with candy, chips, chocolate, t-shirts, hoodies, water bottles, and frozen treats.

The cost of tuck (two food or drink items per day) **is included with your camp fee**. Please don't send money to camp with your child.

CHECKING IN AT SUMMER CAMP

Check in begins at **4:30pm on the first day of camp**. At 5:30pm campers & leaders will hike over to the Foothills Outfitters Camp (on site) where they will have supper, but their gear will be transported by truck. If you are **unable to arrive at camp between 4:30-5:30pm** on the first day of camp for drop off, please **contact the Office** prior to that day and make arrangements so that someone can be at the Welcome Centre to greet you and help your camper get connected with the group.

Upon arrival on the first day of camp, you and your camper will check in at the **Adventure Camp Tent**, fill out a Pre-Camp Medical form, meet the Designated Medical Personnel if the camper has medications, and then sign in your child with the leaders. Please note when you sign your camper in, you will be given a Pick Up Code for when you pick them up on the last day. This will ensure every camper will be re-connected with the correct adult. If the person who dropped off the child is not the same as the person picking up, please let us know when signing in and, if possible, give the Pick Up Code to the person who will be picking up.

MOOSE JUNCTION GENERAL STORE

Moose Junction will be open during check in and after the Parents Program, if you'd like to buy treats, tee-shirts, hoodies or other super cool souvenirs! **The camper t-shirts will be handed out on the last day of camp, prior to check out.**

CHECK OUT TIME

There will be an informal wrap up time for all parents at **3pm on Friday at the Tent**. This will be a great time to hear what your camper has been up to all week and to chat with the leaders.

EARLY PICK UP

If you are needing to pick up your camper before the Parent's Program, please contact the office so we can have your child ready for you to sign out. Please remember to bring your Pick Up Code that was given to you at check-in.

SOMEONE DIFFERENT PICKING UP THAN WHO DROPPED OFF

If the person who dropped off the child is not the same as the person picking up, please let us know when signing in and, if possible, give the Pick Up Code to the person who will be picking up.

TYPICAL DAY AT ADVENTURE

Wake up, Breakfast, Dishes
Paintball or Trail Ride
Lunch, Dishes
Creek time
Tuck
On site activities such as Challenge Course, Archery, etc
Supper, Dishes
Devotional Time
Shower
Willson Ball
Campfire
Bed Time

WRANGLER UP

CAMPER HEALTH

Our Wrangler Up Leaders are trained to make sure your child is eating enough, staying hydrated and applying sunscreen. We ask that you send sunscreen with your child. Our staff will ensure it is applied regularly. We also encourage campers to bring a water bottle to camp to stay properly hydrated. There are water stations around the property. On especially hot days, we will take care to ensure kids stay hydrated.

MEDICAL CARE AT SUMMER CAMP

During the summer months we will have Designated Medical Personnel (DMP) on site at all times. You can meet the DMP when you check in your child on their first day of summer camp. The DMP is trained in First Aid and CPR.

Major responsibilities of the Designated Medical Personnel include the storing and administering of a camper's medications (prescription or otherwise); taking care of minor injuries, dealing with safety and health concerns which may arise during the week; administering First Aid or CPR when necessary; documenting each medical incident whether small or large.

The Sunde Hospital is 15 minutes away should we need further medical assistance.

All medications need to be turned in to the DMP during check-in. Please pack medications separately, labelling them with your child's full name & include their photo. The parent/guardian will be consulted at check-in to determine if a camper's epi-pen or inhaler needs to remain with the camper or kept with the cabin leader or with the DMP. A short pre-camp medical form will be required to fill out to ensure camper is not ill.

The DMP compiles a list of camper medications and medication schedule along with the health information collected from the registration form. During the week, the campers will go with their leaders to the DMP to get their medication.

We contact parents/guardians when:

- a camper has significant bumps, bruises or cuts with the potential for scarring, especially on the face

WHAT NOT TO PACK

<ul style="list-style-type: none"><input type="checkbox"/> Cell Phones, iPods, iPads or tablets, electronics, or gaming equipment<input type="checkbox"/> Earbuds & portable music devices<input type="checkbox"/> Jewellery<input type="checkbox"/> Money<input type="checkbox"/> Please do not bring your pets to camp when you drop off and pick up your camper.	<ul style="list-style-type: none"><input type="checkbox"/> Pocket knives<input type="checkbox"/> Peanut or nut products (please be sensitive other campers with serious food allergies)<input type="checkbox"/> Alcohol, tobacco, marijuana (all forms), vaping, and illegal drugs are NOT permitted at camp.
---	---

****Camp Evergreen is not responsible for lost, stolen or damaged, or left behind items.****

- When participating in **work projects** we ask that you bring clothing that will be appropriate for these activities. For Health & Safety reason, shorts must be around knee length & tank tops are not permitted in the Kitchen/Dish Pit area.
- You will have a chance to play **Paintball** with the other Pit Crew campers and your leaders. Please bring

loose fitting clothing that may get stained (it is water soluble paint but stains can happen and paintballs hurt less with loose fitting clothing) and protective gear ie. jock strap, etc.

- *Camp Evergreen provides the markers, paintballs, neck guards & masks (protect ears, face & eyes), but we don't provide protective clothing, such as coveralls.*

SENDING MAIL TO YOUR CAMPER

Please note when you sign your camper in, you will be given a Pick Up Code for when you pick them up on the last day. This will ensure every camper will be re-connected with the correct adult.

If the person who dropped off the child is not the same as the person picking up, please let us know when signing in and, if possible, give the Pick Up Code to the person who will be picking up.

If your camper is interested in earning High School credits for participating in Pit Crew, please have your paperwork to hand in to the leaders.

MOOSE JUNCTION GENERAL STORE

Moose Junction will be open during check in and after the Parents Program, if you'd like to buy treats, tee-shirts, hoodies or other super cool souvenirs! **The camper t-shirts will be handed out on the last day of camp, prior to check out.**

CHECK OUT

There will be an informal wrap up time for all parents at **3pm on Friday at the Jr. Staff Tent**. This will be a great time to hear what your camper has been up to and to chat with the leaders.

EARLY PICK UP

If you are needing to pick up your camper before the designated time, please contact the office so we can have your child ready for you to sign out. Please remember to bring your Pick Up Code that was given to you at check-in.

SOMEONE DIFFERENT PICKING UP THAN WHO DROPPED OFF

If the person who dropped off the child is not the same as the person picking up, please let us know when signing in and, if possible, give the Pick Up Code to the person who will be picking up.

JR. STAFF

CAMPER HEALTH

Our Jr. Staff Leaders are trained to make sure your child is eating enough, staying hydrated and applying sunscreen. We ask that you send sunscreen with your child. Our staff will ensure it is applied regularly. We also encourage campers to bring a water bottle to camp to stay properly hydrated. There are water stations around the property. On especially hot days, we will take care to ensure kids stay hydrated.

MEDICAL CARE AT SUMMER CAMP

During the summer months we will have Designated Medical Personnel (DMP) on site at all times. You can meet the DMP when you check in your child on their first day of summer camp. The DMP is trained in First Aid and CPR.

Major responsibilities of the Designated Medical Personnel include the storing and administering of a camper's medications (prescription or otherwise); taking care of minor injuries, dealing with safety and health concerns which may arise during the week; administering First Aid or CPR when necessary; documenting each medical incident whether small or large.

The Sundre Hospital is 15 minutes away should we need further medical assistance.

All medications need to be turned in to the DMP during check-in. Please pack medications separately, labelling them with your child's full name & include their photo. The parent/guardian will be consulted at check-in to determine if a camper's epi-pen or inhaler needs to remain with the camper or kept with the cabin leader or with the DMP. A short pre-camp medical form will be required to fill out to ensure camper is not ill.

The DMP compiles a list of camper medications and medication schedule along with the health information collected from the registration form. During the week, the campers will go with their leaders to the DMP to get their medication.

We contact parents/guardians when:

- a camper has significant bumps, bruises or cuts with the potential for scarring, especially on the face
- if there is some medication that we need to give that is not on the list completed at the time of registration
- there is something out of the ordinary (ie seizure/accident)
- a camper has had an exposure to a contagious disease, bug or parasite
- a camper is sent off-site for professional medical treatment
- any other concerning medical issue staff deem necessary to communicate with parents

If there are any special conditions specific to your child's health such as allergies, food restrictions, medication instructions, please provide these in writing to the camp well in advance of his or her week here.

DIETARY NEEDS

We offer a wide variety of well balanced meals which vary according to age groups. We usually have fruit or vegetables included with the night snack.

If your child has special dietary needs/food allergies just tell us ahead of time, and we will be sure to tell our kitchen staff. We are a busy summer camp and do have our limitations, but will do our best to make things work. In some cases, we may need to ask that you bring foods to help us meet your child's needs.

Camp Evergreen endeavours to provide a safe camping experience for any children who have nut allergies, and therefore have a Nut Aware policy. No nut products are served from the Kitchen, or sold in our Moose Junction General Store. However, while at camp your child may be exposed to these products when coming into contact with other campers, and so we suggest that caution is used for parents registering campers with extreme/life threatening nut allergies.

PREPARING FOR SUMMER CAMP

PRIOR TO CHECK IN

1. Your balance must be paid in full four weeks before the beginning of your chosen camp.
2. Report any changes in address, email or phone number for your family or your emergency contacts.
3. Report any changes in your camper's health.
4. You will receive an email about 2 weeks before camp starts.
5. If you are interested in earning High School Credits, have your forms signed & a copy of birth certificate or passport.
6. Have your Acknowledgement of Risk form signed.

PACKING GUIDELINES FOR SUMMER CAMP

- When getting sleeping bags out of storage, if you put them in a clothes dryer on high heat for 30 minutes, it will kill any bugs or eggs that may have made a home there over the winter months.
- Place toiletries in a plastic bag or kit that makes it easy to travel to the showers. This also reduces the chance of spilling.
- Make sure your camper's name is on all items. Unclaimed left behind items will be donated to charity after summer.
- Pack together with your camper. This allows your camper to know where everything is and to develop a sense of responsibility.
- We recommend packing some plastic bags for dirty/wet laundry.
- Please bring any medications in their original packaging to check-in and submit them to our Designated Medical Personnel. Please do not pack medications in your camper's luggage.
- Make your bags visually distinctive. Add something brightly coloured to your bags. This makes it easier for you to spot them at pick up, and prevents other people from taking your bags by mistake. Distinctively marked suitcases and duffel bags are easier to find if they are misplaced.
- Identification tags on your bags are important (inside too is helpful).

PAJAMA POLICY

For the safety and comfort of all our campers and staff, we have a Pajama Policy for our overnight campers and staff. This is due to our Plan to Protect (abuse prevention) Policy for our staff and for the privacy of our campers. We would ask that all campers and staff wear either pajama tops and bottoms, pajama bottoms and a T-shirt, or shorts and a T-shirt.

WHAT TO PACK FOR CAMP

At camp, we play hard, have fun, and get dirty. Avoid packing your very best or most favourite items.

<ul style="list-style-type: none"><input type="checkbox"/> Sleeping Bag (-10°C rated) & Pillow<input type="checkbox"/> Pajamas (See PJ Policy above)<input type="checkbox"/> Running Shoes, shoes to work in (remember, we'll be cleaning bathrooms and doing dishes), Sandals,<input type="checkbox"/> Water Bottle<input type="checkbox"/> Sunscreen<input type="checkbox"/> Bug Spray<input type="checkbox"/> Lightweight Jacket<input type="checkbox"/> Hat<input type="checkbox"/> Optional: camera, stuffed animal (we recommend leaving your most precious ones at home)	<ul style="list-style-type: none"><input type="checkbox"/> Clothes for three seasons (pants, hoodie, t-shirts, lots of socks). We recommend packing clothes you do not mind getting dirty.<input type="checkbox"/> Pants appropriate for work and play<input type="checkbox"/> Raincoat, rain pants, umbrella<input type="checkbox"/> Rubber Boots<input type="checkbox"/> Bible (if you have one), notebook, pen<input type="checkbox"/> Flashlight<input type="checkbox"/> Toothbrush & toothpaste<input type="checkbox"/> Soap, shampoo, & conditioner<input type="checkbox"/> Brush & comb<input type="checkbox"/> Towel & facecloth<input type="checkbox"/> Bathing Suit & UV shirt (we wear t-shirts on water days)
---	--

WHAT NOT TO PACK

<ul style="list-style-type: none"><input type="checkbox"/> Cell Phones, iPods, iPads or tablets, electronics, or gaming equipment<input type="checkbox"/> Earbuds & portable music devices<input type="checkbox"/> Jewellery<input type="checkbox"/> Money<input type="checkbox"/> Please do not bring your pets to camp when you drop off and pick up your camper.	<ul style="list-style-type: none"><input type="checkbox"/> Pocket knives<input type="checkbox"/> Peanut or nut products (please be sensitive other campers with serious food allergies)<input type="checkbox"/> Alcohol, tobacco, marijuana (all forms), vaping, and illegal drugs are NOT permitted at camp.
---	---

****Camp Evergreen is not responsible for lost, stolen or damaged, or left behind items.****

- When participating in **work projects** we ask that you bring clothing that will be appropriate for these activities. For Health & Safety reason, shorts must be around knee length & tank tops are not permitted

in the Kitchen/Dish Pit area.

- We will have special dress up themes throughout the summer. We will email a list of the themes to campers in June, so you can come prepared.
- You will have a chance to play **Paintball** with the other Jr. Staff members and your leaders, occasionally joined by Pit Crew campers. Please bring loose fitting clothing that may get stained (it is water soluble paint but stains can happen and paintballs hurt less with loose fitting clothing) and protective gear ie. jock strap, etc.
 - *Camp Evergreen provides the markers, paintballs, neck guards & masks (protect ears, face & eyes), but we don't provide protective clothing, such as coveralls.*

SENDING MAIL TO YOUR CAMPER

If you would like to send messages to your camper while they are here for their week, you can send notes via email to: camper@camp-evergreen.com Just enter the camper's first & last names as well as the name of the week of camp on the subject line. You can also find the email address on the website under FAQ's – Homesickness & Parent Visits. This is a one way camper email (campers don't email back) that comes directly to us and there is no cost to you. If you have photos or other fun things (such as crossword puzzles, sudoku, etc) that you would like to send, just attach them to the email. Easy as that! No access code necessary.

Connecting with your Child

Homesickness is a real concern at camp, and we have found that visits can actually increase this homesickness. Also, the children who would like to have a visit from parents, but are unable to because of family situation can feel left hurt or left out when they do not receive visits.

Parents are welcome to call the main office at any time 403-638-4230 to see how their child is doing, and children are welcome to call home at any time (we do, however, try to discourage them from calling home at bedtime, as they tend to be more emotionally fragile then).

Please note, office hours are 8:30am-5pm; you are welcome to leave a voice message. For a quicker response after hours, you can private message us through our Camp Evergreen FaceBook Page, or email director@camp-evergreen.com.

TUCK

Tuck is an old English word meaning yummy food or treat. It's been a part of the camping community for as long as there has been camps! Our tuck shop, which is called Moose Junction, is stocked with candy, chips, chocolate, t-shirts, hoodies, water bottles, and frozen treats.

Tuck is **NOT** included in your camp fees. Food items (pop, candy, chips, etc) are \$1.50-\$2.50 each for you, so you can plan accordingly. So you don't need to carry money around, we suggest that you set up your pre-paid account in Moose Junction. We accept cash, debit or credit cards.

CHECKING IN AT SUMMER CAMP

Check in begins at **4:30pm on the first day of camp**. Supper for campers will be served at 5:30 pm. If you are **unable to arrive at camp between 4:30-5:30pm** on the first day of camp for drop off, please **contact the Office** prior to that day and make arrangements so that someone can be at the Welcome Centre to greet you and help your camper get settled.

Upon arrival on the first day of camp, you and your camper will check in at the **Jr. Staff Tent**, get your cabin assignment, fill out a Pre-Camp Medical form, meet the Camp Nurse if the camper has medications, and then sign in your child with the leader. Please note when you sign your camper in, you will be given a Pick Up Code for when you pick them up on the last day. This will ensure every camper will be re-connected with the correct adult. If the person who dropped off the child is not the same as the person picking up, please let us know when signing in and, if possible, give the Pick Up Code to the person who will be picking up.

If your camper is interested in earning High School credits for participating in our Jr. Staff program, please have your paperwork to hand in to the leaders.

MOOSE JUNCTION GENERAL STORE

Moose Junction will be open during check in and after the Parents Program, if you'd like to buy treats, tee-shirts, hoodies or other super cool souvenirs! **The camper t-shirts will be handed out on the last day of camp, prior to check out.**

CHECK OUT

There will be an informal wrap up time for all parents at **3pm on Friday at the Jr. Staff Tent**. This will be a great time to hear what your camper has been up to all week and to chat with the leaders.

EARLY PICK UP

If you are needing to pick up your camper before the designated time, please contact the office so we can have your child ready for you to sign out. Please remember to bring your Pick Up Code that was given to you at check-in.

SOMEONE DIFFERENT PICKING UP THAN WHO DROPPED OFF

If the person who dropped off the child is not the same as the person picking up, please let us know when signing in and, if possible, give the Pick Up Code to the person who will be picking up.
